Study at South Asia’s Leading Psychology Institute

Undergraduate Prospectus 2020

www.researchandpsychology.com

Inspire | Innovate | Empower
Our pioneering initiatives in teaching, researching and practicing psychology in the region in line with international standards have lead us to become the leader in Psychology education in South Asia. We have inspired, empowered and supported many leaving our imprint in their lives.

The concept of fingerprint resembles the “Authenticity” and “Uniqueness” of our establishment and the culture we created.
Open Days 2020
June 05\textsuperscript{th} & 06\textsuperscript{th}
August 21\textsuperscript{st} & 22\textsuperscript{nd}
November 20\textsuperscript{th} & 21\textsuperscript{st}
Who we are

We are a forward thinking, change-making institution with a proud tradition of commitment to academic excellence and research that reflects creativity and unconstrained thinking.

Our journey from a very humble beginning in 2010 up to date is a rapid progression in terms of quality and quantity where we were able to challenge the standard growth curve of an organization, owing to the dedication and commitment of both staff and students.

Within a decade we have become the leader of psychology education in South Asia and during the process have pioneered many initiatives that has contributed to the growth and development of the field of psychology and it’s popularity in Sri Lanka and the region. We take pride in having produced many hundreds of professionals in the discipline who have directly contributed to capacity building in the field.

Our students are appraised by the employers for being above the standard in terms of employability, knowledge and skills, professional and ethical standards and commitment. Recognition we have received for academic excellence and the brand image we have created for being the pioneer and leader in the industry is our biggest return on investment.

COLOMBO INSTITUTE OF RESEARCH & PSYCHOLOGY

We are a major force in psychology in Sri Lanka and the region and our contribution extends not only to the academic and research fields but also to school system, corporate sector and government. Our efforts have directly resulted in policy change in government, establishment of professional bodies and trend setting in corporate sector.

We have initiated many “Firsts” in the field in our part of the world and true to our watchword “Ad Lucem” (Towards Light) we will continue to do so to enlighten the community and improve their quality of life. We work in collaboration with many leading international universities, Local and international accreditation bodies to deliver world class higher education to our students, maintaining and further improving quality standards.
Welcome to CIRP, where unconstrained thinking and creativity is encouraged, academic excellence, professionalism and ethical practices are nurtured and celebrated.

You are invited to join our community of outstanding students, excellent and committed faculty, innovative researchers and enthusiastic, supportive staff who work together and inspire each other to achieve the noble goal of dissemination of knowledge to create a better world.

You have opened door to many unique opportunities by joining CIRP. While being taught by experts and leading figures in the field from Sri Lanka and around the world, we encourage you to take part in many activities we have lined up for you to develop transferable skills, employability and confidence.

CIRP is committed to make you comfortable, treat you with respect and support you achieve your best. Trusting that you will positively contribute to the CIRP community, and make the best out of what CIRP has to offer, I would like to warmly welcome Sri Lankan and International students to CIRP.

Ad Lucem!

Dr. Darshan Perera
Chair of the Governing Council.
CIRP is a member of the CIIHE Higher Education Group.

CIIHE Higher Education Group consists of Colombo Institute of Research & Psychology (CIRP), Colombo International Institute of Higher Education (CIIHE) and CIIHE Global Services.

Colombo Institute of Higher Education (CIIHE) includes the CIIHE School of Business and CIIHE School of Hospitality.

CIRP was established in 2010 and with the launching of Business and Hospitality Schools, CIIHE was incorporated in 2018.

CIIHE Global Services was established in 2020 to provide services to the international students and to facilitate Sri Lankan students who transfer to partner universities and the ones who wish to directly enter international universities.

CIRP - Truly International in Quality, Diversity and Resources

www.researchandpsychology.com
“We are world class in what we do and we will spearhead the growth and development of psychology by leading from the front.”
The University of Northampton is a public university based in Northampton, Northamptonshire, England. It was formed in 1999 by the amalgamation of a number of training colleges, and gained full university status as the University of Northampton in 2005.

The university was awarded ‘The Outstanding HEI Supporting Social Entrepreneurship Award’ at the UnLtd/HEFCE ‘Dare to be Different’ national conference in June 2011 and has also been named the Midlands most ‘Enterprising University of the Year’ for both 2011 and 2012, in recognition of its work in social enterprise. In February 2013, the university received international recognition for its commitment to social innovation and entrepreneurship by being designated a ‘Changemaker Campus’ by Ashoka U. Northampton is the first Changemaker Campus in the UK and joins a global network of 21 other Changemaker Campuses.

“Panel noted the excellent strategic fit of the two institutions which were very well aligned to each other in values of Changemaker and highly commended CIRPs’ demonstrable impact in transforming lives and inspiring change”

Chairs conclusions for the CIRP - UON BSc validation
With over 30 dedicated lecturers in the School of Psychology alone, CIRP is committed to maintain the optimum 1 : 20 ratio recommended by BPS for excellent teaching, individual attention and academic & moral support.

Students are provided with learning resources based on traditional as well as the latest learning technological solutions that suit diverse learning styles and study preferences.

Our students are provided with a range of internships in clinical, business, research, community, school and media settings to enhance their skills and employability.

Modern state of the art infrastructure at CIRP provide a comfortable and pleasant environment that encourages regular participation, involvement in academic activities and peaceful quiet spaces to concentrate and relax.

“We provide opportunities to discover your creativity and improve your skills through participation in a range of activities & events.”
CIRP offers a unique pathway to your undergraduate degree through a Diploma of Higher Education (DHE). Our Students complete the first two years of the Bachelor’s Degree through the DHE and then go in to the Final Year of the BSc (Hons) Top up Programme.

When you complete the final year, your graduate with a degree that has the same exact recognition as if you registered for a BSc degree from the first year.

While this pathway gives students a range of academic and financial benefits, it provides a secure pathway where you have a completed qualification at the end of the first two years, an advantage you don’t have in registering for a BSc from the first year.

This programme is developed in line with the UK qualification framework at UK Level 5 and 240 UK Credits that matches the first two years of any psychology degree awarded by International universities. Therefore you could transfer to almost any international university upon completing your DHE with us.

Why we recommend DHE?

☑ Saves up to 40% of the cost of the traditional path
☑ Obtain a complete qualification at the end of the 3rd Year
☑ Obtain a two qualifications within 3 years, DHE & BSc
☑ Options of Transferring abroad after 2 years
☑ Option of taking a break and completing later on
☑ Recognized by TVEC of Sri Lankan Government
☑ Recognized by Maldivian Qualification Authority
☑ Recognized by International Universities
Overview

This is the ideal programme for those fascinated by human behavior and interested in exploring different areas of functioning of the brain and the mind. Upon completion you are able to branch in to any area in psychology. If you are not certain about the field in psychology you would like to get in to, this is your opportunity to cover all core areas.

ICAP Sri Lanka

International Conference on Applied Psychology (ICAP)
Sri Lanka is the annual research conference organized by the students and the staff of CIIHE. This is very unique as the entire large scale international event is organized and hosted by undergraduate students. Apart from contributing to the growth and development of the field of psychological research in the region by providing an international platform for South Asian academics, researchers and students, CIIHE students get an excellent opportunity to gain a range of employable skills in a real life setting.

International Exposure  ICAP students with Prof. Martin Seligman

Gain Employable Skills  Event Management by ICAP Students

Learn to network  ICAP Students with Prominent Professionals

Provide Leadership  Students Incharge of Organizing the Event

Work with Media  Students at the Press Conference

Watch more activities of CIIHE Students on ICAP Sri Lanka YouTube channel & Our Website www.icapsrilanka.com
Internships
Internships within CIRP in various departments during the period of their study provides opportunities for students to gain transferrable skills and empower themselves.

Clinical Placement
For students who aspire to become clinical psychologists CIRP Life Centre offers placements where you could get supervised training under the psychologists who work there.

Placement Module
Our programs include a placement module in different areas of psychology for those who wish to gain work experience during their period of studies.

Skill Development
Our Employability Skill Development programme in the final year trains all students to become successful at workplace from preparing CV and facing interviews to work ethics.
Your Graduation

Graduation is one of the most important events in CIRP’s calendar. Every year faculty, representatives from partner universities, students and family members of students come together to celebrate success and achievements of the graduating students.

CIRP demonstrates its appreciation and respect for the students who have worked hard over the years to receive their awards by organizing one of the most outstanding graduation ceremonies in the world.

CIRP graduation is an elegant, colorful and vibrant event where academic traditions are held high. Following the graduation is the CIRP annual ball, a dinner dance organized by the institute in honor of the graduating students and the special invitees. This flamboyant event is a fun filled celebration where achievements of the students are celebrated in style.
Our Alumni Network Provides You Opportunities to Stay in Touch, Build Professional Networks & Support You to Grow Further
Joining CIRP Community
