

MSc BUSINESS & ORGANIZATIONAL PSYCHOLOGY

Overview

This is an ideal qualification for individuals in the middle to senior management levels of corporate organizations as well as fresh graduates who aspire to excel in careers in corporate training coaching, business consultancy, psychometric testing, consumer and market research or to practice as a business psychologist.

This qualification is accredited by the Association of Business Psychologists (ABP) in UK, and based on the agreement between CIRP and ABP UK, students are eligible for the membership upon completion of the program.
