

Why Choose CIRP?

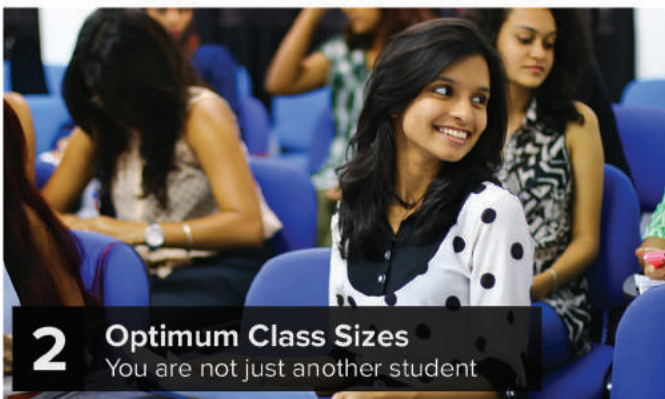

1 Precise Staff : Student Ratio Your lecturer knows you by name

With over 30 dedicated lecturers in the School of Psychology alone, CIRP is committed to maintain the optimum 1 : 20 ratio recommended by BPS for excellent teaching, individual attention and academic & moral support.

4 Best learning resources All learning styles covered

Students are provided with learning resources based on traditional as well as the latest learning technological solutions that suits diverse learning styles and study preferences.

2 Optimum Class Sizes You are not just another student

With medium size classes, CIRP has avoided students becoming invisible and unheard in massive classrooms with hundreds of students, giving them the opportunity and courage to ask questions and clarify confusions.

5 Internships You're trained & empowered

Our students are provided with a range of internships in clinical, business, research, community, school and media settings to enhance their skills and employability.

3 World class facilities A place that stimulates learning

Modern state of the art infrastructure at CIRP provides a comfortable and a pleasant environment that encourages regular participation, involvement in academic activities and peaceful quiet spaces to concentrate and relax.
